Abstract This article develops a feminist political economy framework for analyzing employment-related geographical mobility. We emphasize the relevance of political economy studies of class, neoliberalism, and globalization as well as feminist research on the interconnectedness between paid employment and social reproduction.

Towards A Feminist Political Economy Framework for ...

A feminist political economy strives towards a just, productive and sustainable economy; and in post- conflict countries we might add, an economy for peace. Various feminist studies have increased our knowledge and understanding for how exclusion of women and gender in economic analysis and subsequent policies jeopardise this aim.

A FEMINIST - WILPF

Feminist economics is a school of economic thought and political action that gained important visibility during the 1990s, although its origins can be dated back to the mid-19 th century. Since then, feminist economics has developed its own concepts, analytical frameworks, and methodologies.

political ecology, which is an analytical framework based on the assumption that ecological issues must be understood and analyzed in relation to political economy (and vice versa). Feminist political ecologists hold that gender is a crucial variable – in relation to class, race, and other relevant dimensions of political ecological life – in constituting access to, control over, and ...

Feminist Political Ecology - Sundberg - - Major Reference ...

The conceptual framework of feminism, as a reactionary ideology, basically consists of 'power,' 'woman,' 'rights,' and 'equality'. The same can be said of African feminism, which has on its priority list such goals as self-determination, which have economic overtones sewn on a materialistic metaphysic.

The conceptual framework of feminism - UKessays.com

Feminist economics is the critical study of economics and economies, with a focus on gender-aware and inclusive economic inquiry and policy analysis. Feminist economic researchers include academics, activists, policy theorists, and practitioners.

Feminist economics - Wikipedia

Building on critical feminist political economy analysis, this article argues that the Haiyan postdisaster relief and reconstruction efforts constitute gendered processes that intimately rely on and mobilize women's unremunerated social reproductive labor, particularly through their role as primary caregivers.

Feminist Political Ecology | The Consortium on Gender ...

Some feminist theory provides an analytic framework for understanding how women's location in and experience of social situations differ from men's. For example, cultural feminists look at the different values associated with womanhood and femininity as a reason for why men and women
