Heritage hosting annual Festival of Negro Spirituals
Spirituals (also known as Negro spirituals, Spiritual music, or African-American spirituals) is a genre of songs originating in the United States and created by African Americans. Spirituals were originally an oral tradition that imparted Christian values while also describing the hardships of slavery. Although spirituals were originally unaccompanied monophonic songs, they developed into ...

The tunes and the beats of negro spirituals and Gospel songs are highly influenced by the music of their actual cultural environment. It means that their styles are continuously changing. The very first negro spirituals were inspired by African music even if the tunes were not far from those of hymns.

Founded in 1977 at Cornell, the purpose of the Festival of Black Gospel is to promote cultural awareness while celebrating the inspirational and uplifting musical genre known as Gospel. In this effort, we have continued the legacy in an annual program that fosters and encourages spiritual, cultural, and intellectual awareness within the Cornell, IC, Greater Ithaca and Greater Central New York communities.
