A Million Tiny Pieces by Nicole Edwards is a great read! I loved it, and as we know from her other books she has a real flair for writing books about love, and in this case a menage, which is really hot but also well written, and done in exquisite taste. This book is about a millionaire, Phoenix, his body guard, Tarik and a woman named Mia.

**A Million Little Pieces (2018) - IMDb**

A Million Little Pieces is a book by James Frey, originally sold as a memoir and later marketed as a semi-fictional novel following accusations of literary forgery. It tells the story of a 23-year-old alcoholic and abuser of other drugs and how he copes with rehabilitation in a twelve steps-oriented treatment center. While initially promoted as a memoir, it later emerged that many of the events ...

Now, as she ran her curling iron through her hair, touching up the few pieces that hung down from the twist she'd fixed on top of her head, Mia watched herself in her bathroom mirror. She certainly wasn't thinking about Hot Hoodie Guy now. She was too busy wondering whether or not she was going to run into Damien tonight.
