Art in Spain and Portugal. During the Renaissance, Spanish and Portuguese art was influenced by cultural movements in other parts of Europe, particularly those in Italy. However, the art of the Iberian Peninsula\* already possessed a distinctive character that was shaped by the region's history, social conditions, and landscape. In addition, different areas of the peninsula had developed their own unique styles based on local culture and traditions.

Yes, would would travel with Collette again. The Spain/Portugal trip involved far too much bus riding with little time to "explore" on our own. The schedule was just too tight with all the travel. We seemed hurried all the time and even bathroom time was limited. As far as meals (except while riding the bus), hotels, p/u, etc. it was very good.
