RNS-E Firmware | Downloads | Europe

Audi have a number of navigation systems, but we only support the RNS-E with our firmwares. Please don't ask us about their other systems. They are based on a completely different

hardware platform which we know nothing about. An RNS-E has a fold down screen which reveals the DVD drive and 2 SDCard slots.

I did some reading through old threads last night on here and maybe I'm just slow but I'm confused on what options we owners of RNS-E Sat-Nav units have for firmware and map updates? The

unit in my '08 S4 is terribly out of date so I'd love to update the firmware and the maps if possible. Thanks for any help.

RNS-E Firmware and Map Update Options?

Audi Navigation Plus (RNS-D) installed in Audi S6 The RNS-C and RNS-D devices look identical and are very similar to Volkswagen MFD installed in some Volkswagen, Skoda, SEAT and Ford Galaxy cars. Across brands, the devices share the same general features, internal electronics, tiltable LCD screen and some elements of user interface.
