This chapter focuses on the major series and on two main sources, namely, the Abstract of British Historical Statistics [QR 6] by Mitchell and Deane and the Department of Employment's British Labour Statistics: Historical Abstract 1886-1968 [QR 18]. The former was published in 1962, the latter in 1971.

Wages and Earnings | ScienceDirect

This textbook reviews major issues concerning the history of British trade unions in the last two-thirds of the twentieth century. Even with the decline in membership of the 1980s and 1990s, trade unions in Britain have remained the largest voluntary organisations in the country and the total membership has remained larger than in most other countries.

British Trade Unions since 1933 by Chris Wrigley

Those interested in long time series of labor statistics will find the Department of Employment and Productivity's British Labour Statistics: Historical Abstract, 1886-1968, 1971, 436 pp., invaluable.

British statistical information - ScienceDirect

Statistical Abstract data present here ranges from our most recent edition to the historical abstracts compiled throughout the decades. Some of the data were scanned as an effort to make historical abstract information available to the public. The display of data will continue as historical records become available.
