by Kent Britain, WA5VJB edited by John Maca, AB5SS [Editors notes:The antennas described in this article were built as the result of several discussions between Kent and a Cuban radio operator. While there are plenty of high performance antenna designs, most of the parts required to build them are not available in Cuba.

### **Cheap Yagi Antennas for VHF/UHF - Repeater Builder**

The ARRL UHF/Microwave Projects Manual – Volume 1 has a really nice article from Kent Britain (WA5VJB) on constructing microwave bandpass filters using only copper pipe end caps, brass hardware, and some scrap pieces of UT–141 or UT–085 semi–rigid coax.
