Some G-Shocks are tougher than other G-Shocks. I'm talking about the Mudman / Mudmaster series, of course.. Both Mudman G9300 and Mudman G9000 are the most affordable watches in Casio's professional "Master of G" line.. Sure, they're both older models. But in my opinion, they give you some of the best bang for the buck you can get out of a G-Shock watch.
