Good architecture can be found across the world. The architectural guides by DOM publishers are far more than just studious architectural reference books - they are expedition guides into the unknown and give way to new perspectives on a sometimes foreign world. Furthermore, they help to understand that the architecture of a city is more than the sum of its attractions.

The Pevsner Architectural Guides are a series of guide books to the architecture of Great Britain and Ireland. Begun in the 1940s by the art historian Sir Nikolaus Pevsner, the 46 volumes of the original Buildings of England series were published between 1951 and 1974. The series was then extended to Scotland, Wales and Ireland in the late 1970s. Most of the English volumes have had second ...
