How Hockey Saved The World

How Hockey Saved the World is the greatest, if only, hockey protest book ever written. It is the often true story of how a middle-aged, overweight American got off the couch long enough to lose weight and learn to play hockey in order to find a magic puck that would end the NHL lockout, unseat President George W. Bush and end the Iraq War.

In ice hockey, a goaltender is credited with a save when they prevent a shot by the opponent from entering the net. A goaltender's efficiency in stopping shots, the save percentage, is calculated as a percentage of shots stopped divided by the total number of shots on goal.

Save (goaltender) - Wikipedia

In 1899 the Canadian Amateur Hockey League was formed. All hockey in Canada at the time was "amateur," it being "ungentlemanly" to admit to being paid for athletic services. Thus, the first acknowledged professional hockey team in the world was formed in the United States, in 1903, in Houghton, Michigan. The team, the Portage Lakers, was owned by a dentist named J.L. Gibson, who ...
