Honestly, though, its hard to find a toaster oven at this price (\$39.99 at Costco) that toasts perfectly, because the elements generally cannot adjust for different bread thicknesses. If you want perfectly homogeneous toast, a standard pop-up toaster will always be a much better bet than ANY toaster oven.

For a small household, a good toaster oven may be all the appliance needed for cooking many meals. Toaster ovens can offer a lot of functionality. Some have extra space to operate as a double oven. They can bake, broil and, of course, toast reliably. They are a very portable, little appliance that can turn nearly any space into a cooking area.
