Just so we are all on the same wavelength, narcissism is a personality characteristic associated with self-absorption, egocentrism, an overestimation of one's own importance and abilities, a sense ...

Narcissism Is Alive and Well in America | Psychology Today

Frankly, collectivistic self-construction reeks of narcissism. The narcissist is fundamentally a person who has been damaged somehow, and the damage presents as an internal dearth of self-esteem. Now, a healthy self-concept allows one to examine this wound, deal with it, and heal. The narcissist is born when, instead of healing, the wound is ignored.

The NPC Meme: Narcissism, Personality, and Collectivism ...

"Individualistic narcissistic structures of self-regard (in individualistic societies) ... are rather self-contained and independent ... (In collectivist cultures) narcissistic configurations of the we-self ... denote self-esteem derived from strong identification with the reputation and honor of the family, groups, and others in hierarchical relationships."

Self And Society: Narcissism, Collectivism, And The ...

The effect on society was almost immediate: a culture of rising self-awareness had now grown to one of increasing narcissism, but in an unstable socio-economic climate. The collective psychology of Western society now became more dysfunctional, as an increasingly narcissistic society was unable to properly deal with a change in economic circumstances.

Self and Society: Narcissism, Collectivism, and the ...

In a collectivist society, the narcissist is 'God's gift to the collective'. Milon quotes Warren and Caponi's "The Role of Culture in the Development of Narcissistic Personality Disorders in America, Japan and Denmark":

Collective Narcissism - Narcissism, Culture, and Society ...

They assert that the disorder is more prevalent among certain professions with "star power" or respect. "In an individualistic culture, the narcissist is 'God's gift to the world'. In a collectivist society, the narcissist is 'God's gift to the collective'".
