Cases and Materials on Colleges in Court. Third Edition, 2006. An open letter from author Michael A. Olivas. Dear Colleagues, In creating the third edition of The Law and Higher Education: Cases and Materials on Colleges in Court, I made a number of changes, both to update and to make the materials more accessible to students and teachers, as well as the many lawyers and scholars who use the text for its reference value.

The Law and Higher Education

Title IV of the Higher Education Act stipulates that only U.S. citizens or eligible noncitizens, such as permanent residents, are eligible for federal financial aid, which is why international students are not eligible for federally-subsidized student loans.

Highereducationlaw.org - HigherEducationLaw

Immigration law's impact on higher education is, and will be, a moving target throughout academic year 2020-21. The current public health crisis has disrupted immigration and visa processes. Recent travel bans, entry requirements, and more continue to complicate a now highly politicized, and subsequently volatile, body of law and federal policy.

Center for Excellence in Higher Education Law and Policy

Education law is the legal discipline covering all issues pertaining to schools, from kindergarten through higher education. Historically, attorneys practicing education law have worked toward expanding access to a high-quality education for all children, as well as providing for greater access to higher education.

What is Education Law? - FindLaw

Race, Law, and Higher Education in the Colorblind Era brings together the many racial disputes that have been adjudicated by the Supreme Court to investigate the politics of colorblindness in the post-civil rights era. Through a reading of these various cases as a form of continuing racial discourse, this book focuses on the ways in which racial disputes operate within a clearly entwined colorblind narrative that invalidates racial justice for minorities.

5 ways COVID-19 will change higher education forever, and how colleges can adapt It's a transformative moment for higher education. But the trends driving the disruption are not new or unexpected.

How COVID-19 will change higher education for the long term

Education law courses examine the laws and policies that govern the K-12 and higher education systems. Federal, state, and especially local authorities have a stake in the delivery of educational services.

Education Law and Policy | Georgetown Law

Everyone learns differently. That's a given. While this is a popular phrase, not everyone considers the full extent of what it means. Disabilities, including learning disabilities, physical disabilities, and mental illness, can act as a barrier to earning an education, but federal law says these challenges should not prevent individuals from having an equal opportunity.
