The Storytelling Animal How Stories

The Storytelling Animal is about the way explorers from the sciences and humanities are using new tools, new ways of thinking, to open up the vast terra incognita of Neverland. It's about the way that stories—from TV commercials to daydreams to the burlesque spectacle of professional wrestling—saturate our lives.

The Storytelling Animal: How Stories Make Us Human ...

Humans are the storytelling animal. Everything we see, hear, feel, dream, and experience is a story. Every single moment we live is a part of the confluence of the haphazardly interconnected vignettes and events that we weave into the story we call our Lives.

"The Storytelling Animal is informative, but also a lot of fun, as when Gottschall vividly describes the "Neverlands" his daughters create in their playtime. Anyone who has wondered why stories affect us the way they do will find a new appreciation of our collective desire to be spellbound in this fascinating book.

The Storytelling Animal - Jonathan Gottschall

In *The Storytelling Animal: How Stories Make Us Human*, Jonathan Gottschall takes the reader on a journey through the history of story and its necessity to our human interactions, our growth, and our very being. Though not directly related to the field of advising or education, the book provides insight into the ways in which our lives are shaped by the stories we hear, see, and the stories embrace as truth.

The Storytelling Animal: How Stories Make Us Human

In his book *The Storytelling Animal*, which draws on modern neuroscience, art studies, psychology and evolutionary biology, the evolutionary literary scholar Jonathan Gottschall concludes: "Nothing so central to the human condition is so incompletely understood." A good story leaves room for the indefinable.

The Storytelling Animal | The Common

The Storytelling Animal finally reveals how stories shape us. This is a quite wonderful book. It grips the reader with both stories and stories about the telling of stories, then pulls it all together to explain why storytelling is a fundamental human instinct.
